

# LAMENT

@2009 Barb Glennie / Creekside Music, Inc. (SOCAN)  
CCLI Song #5325885

Order: | V1 | Ch | V2 | Ch | Br | Ch | Tag

Intro: F#m7 | E / B / | F#m7 | A / B / |

Verse 1:                   E                   C#m  
Head bowed, I come to You  
                          A                   B  
Knowing I can't make it up  
                          E                   C#m  
Eyes down, I come to You  
                          A                   B  
Knowing that 'sorry' isn't enough

Chorus:                   F#m7       | E /    B / |   F#m7               | E / B  
Lord, remove the insulating thoughts that keep me from my grief  
/ | F#m7                   | E /    B / | A | A  
Let me feel as I ought so that I can truly say 'forgive me'  
/ / | C#m7               | A | C#m7               | A |  
And I know You will forgive, I know You will forgive  
                          E  
Thank You, Lord.

Verse 2:                   E                   C#m  
Head bowed, I cry to You  
                          A                   B  
Strength no longer what I seek  
                          E                   C#m  
Eyes down, I cry to You  
                          A                   B  
I am freed when I am weak (*chorus*)

Bridge:                   G#m7                               A  
Let my heart weep in time with Yours  
                          G#m7                               A  
Let me look at life through Your loving eyes  
                          D                                       B  
And see what should move me beyond  
                          D                                       B  
                          What should move me beyond. (*chorus*)

Tag:                   Head bowed, I come to You  
                          (Instrumental line)
